Basic Information Believers Should Know About Sowing and Reaping
Genesis 26:12-14

Genesis 8:22 reads, "As long as the earth continues, planting and harvest, cold and hot, summer and winter, day and night will not stop." (NCV) This verse reveals eight promises God made to humankind about the place they occupy. Two of them address the principle of giving and receiving of material possessions. Throughout the Bible, there are many passages about seeds being planted and harvest gathered. This lesson is designed to show basic information believers should know about sowing and reaping.
