## How God Desires to be Respected Psalm 50:14, 15

Job 36:16 reads, “*And at this very moment, God deeply desires to lead you from trouble and to spread your table with your favorite food.*” (CEV) This verse reveals an individual’s opinion about what God wanted to do for one of his servants. Believers interested in discovering the wishes of the Almighty should read the Bible thoroughly and comprehensively. Throughout the pages of God’s Word, there are many passages that point out what the Lord would like to see from human kind. This lesson is designed to share how God desires to be respected.
