*G*reetings Business Owners,
It is indeed a joy to be able to bring to you our church Business Directory. One of our goals as a church is to help members live for Christ holistically. Living a holistic life for Christ requires that you allow the Word of God to impact every area of your life. This included your life as an entrepreneur.

The Bible has much to say about business practices and being a good steward of our money. It is my prayer that this directory will be a blessing to the business owners and to the potential business patrons. As these business's flourish financially, it is our prayer that it will positively impact our members and the Church.

May the following pages add joy to your life, subtract some of your problems and multiply your peace. This project required a great deal of organization and follow through. Special thanks to everyone who played a role in the planning and completion of this publication. None of your efforts have gone unnoticed.

Dr. Kerwin B. Lee

*Committed to Growth,
Dr. Kerwin B. Lee, Senior Pastor*
