

OUR PROGRAM

The Berean Christian Early Learning Academy is an extension of the Berean Christian Church and a vision of Senior Pastor Kerwin B. Lee. Our aim is to offer competent Christian child care for families of young children throughout the community.

Our mission for the BCELA is to provide superior academics that foster self-confidence, self-esteem, a lifelong love for Jesus Christ and a greater passion for learning.

We will inspire our children with a passion to believe that no academic goal is too great to seek.

They will succeed by:

Believing in Christ

Enhancing their skills

Reaching their potential

Excelling in academics

Advancing through experiences

Navigating through development

We play an integral part in Michelle Obama's Obesity Campaign, **Let's Move!**

We have created a Physical Education Station including DeKalb County's Finest Mini-Walk-Run-Jog Track especially designed for ages 2 years – Kindergarten.
