**Demonstrating Support to Hurting People
Acts 3:1-7**

Numbers 11:2 reads, *“When the people begged Moses to help, he prayed, and the fire went out.”* (CEV) This verse reveals what an Old Testament leader did to come alongside a group of people who were experiencing a hardship in life. All believers should strive to show compassion for individuals who have embarked on difficult trials and temptations. One advantage of Christians doing this is being able to help others overcome undesirable situations. This lesson is designed to examine an episode in the life of Peter to discover how support can be demonstrated to hurting people.
