Considerations for Living a Holy Life
Proverbs 5:1-8

II Corinthians 7:1 reads, *“Dear friends, we have these promises from God, so we should make ourselves pure—free from anything that makes body or soul unclean. We should try to become holy in the way we live, because we respect God.”* (NCV) This verse reveals what believers should do and why they should do it. One of the main tools in Satan's arsenal is to do all in his power to prevent Christians from living a life pleasing to the Lord outside the four walls of the church. In spite of this, children of God can still succeed in their attempts to honor God with their body, soul and spirit. This lesson is designed to share what can help you to live a life of holiness.
