**What Women Should Be Mindful of When Interacting with Men**  
**Ruth 3:1-5**

Esther 5:3 reads, "Then the king asked, "What is it, Queen Esther? What is your request? Even up to half the kingdom, it will be given you." (NIV) This verse reveals what one husband from the Old Testament was willing to do for his wife. Housed within the Word of God are many examples of women who have been able to greatly influence men by the way they carried themselves. Every lady should see the need to display traits of grace in their interactions and dealings with those of the opposite sex. This lesson is designed to share what women should be mindful of when interacting with men.
