**Essential Elements Needed By Kingdom Men**  
**Acts 9:26-30**

Genesis 2:18 reads, "Then the LORD God said, "It is not good for the man to be alone. I will make a helper as his complement." (HCSB) According to this verse, God desires for men to have companionship with those of the opposite sex. One mistake many males have made is limiting their interaction and involvement to only females. Within the Bible there are many examples of how males have teamed up to enrich one another's life. This lesson is designed to examine the ministry movements of Barnabas and Saul to point out essential elements needed by Kingdom men.
