**Principles for Productive Soulwinning**  
**Acts 10:44-48**

Proverbs 11:30 reads, "... He that winneth souls is wise." (KJV) This verse describes one positive characteristic about individuals who lead people to the Lord. The last words of Jesus to his disciples was for them to be witnesses to unbelievers. 21st Century followers of the Master are likewise commanded to do the same thing. This lesson is designed to examine an encounter between Peter and Cornelius to point out principles for productive soulwinning.
