**The Joys of Parenting**  
**Luke 15:20-28**

II Chronicles 30:26 reads, *“There was much joy in Jerusalem, because there had not been a celebration like this since the time of Solomon son of David and king of Israel.”* (NCV) This verse records a festive time for the nation of Israel as a result of observing what God did to bring them out of Egypt. There are many examples of men and women in the Bible celebrating various occasions. All children of God should seek to find something to rejoice about on a daily basis in order to maintain a positive and healthy mind set. This lesson is designed to examine a father in the New Testament in order to point out the joys of parenting.
