Experiencing Growth Through Church Fellowship

Acts 11:22-26

Hebrews 10:25 reads, *"You should not stay away from the church meetings, as some are doing, but you should meet together and encourage each other..."* (NCV) This verse reveals the importance of believers being physically present in the house of the Lord. Since God is always taking care of the house of His followers, they should likewise prioritize His place of worship. There are many advantages for individuals who remain committed to being active in the local church. This lesson is designed to share how church fellowship can contribute to your spiritual growth.
