Motivating Factors for Families to Worship God

Exodus 4:29-31

Hebrews 10:24 reads, "Let us think of ways to motivate one another to acts of love and good works." This verse reveals that people should be influenced by others to do what is right. The world in which we dwell would be a much better place if all individuals made a practice of encouraging people on a daily basis to do deeds that are positive and pleasing to the Lord. Housed in the Bible are many instances where people were swayed to serve God. This lesson is designed to examine an encounter in the life of Moses to point out motivating factors for families to worship God.
