Biblical Revelation Believers Should Know

Romans 5:1-10

Proverbs 10:14 reads, "If you have good sense, you will learn all you can, but foolish talk will soon destroy you." (CEV) This verse reveals that it is wise for individuals to prioritize and pursue knowledge. One area of life where children of God should practice gaining as much information as possible is in their spiritual walk with the Lord. There is no way for a Christian to go up or blow up without first growing up in their literacy of the Holy Bible. This lesson is designed to share basic biblical revelations that believers should know.
