2019 AWFTT Pastors & Leaders Conference Partnership and Vendor Opportunities

Greetings Potential Conference Partner,

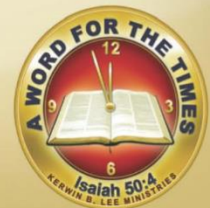

The time is swiftly approaching for our highly impactful Pastors & Leaders Conference. We have been able to present this life and ministry changing event for the past 13 years. This year's conference will take place October 2-4, 2019. Past conferences have experienced significant success as a result of us soliciting and securing viable partnerships with corporate and individual donors. As a result, we would like to offer you and/or your business an opportunity to partner with us to help make the "2019 A Word For The Times Pastors & Leaders Conference" a success.

We believe that your support of this venture will be beneficial to you and/or your business. Partnering with us will provide an opportunity for you to connect, interact and network with church pastors, leaders and frontline representatives from all over. This gives you the ability to promote your company and helps to further the gospel via potential customer/client relationships that you may obtain during the conference.

There are many levels at which you can support this conference. Once you agree to be one of our supporters, you will be afforded a plethora of benefits based on your level of commitment. We have taken the liberty of including detailed information about the various support options. Please review the information to determine which package best suits you. The deadline for formal partnership opportunities is September 6, 2019. Any ads, images and/or video footage must be submitted by this date.

We anxiously anticipate your favorable response to financially partnering with us to make this event even more successful, in addition to the potential growth for your company. If there are any questions or concerns that we can answer or address for you to assist in your affirmative response, please feel free to contact us.
