**What Can We Get Out of This?**

**Genesis 11:1-6**

Acts 3:2 reads, "There, at the Temple gate called Beautiful Gate, was a man who had been crippled all his life. Every day he was carried to this gate to beg for money from the people going into the Temple." (NCV) This verse records the purpose an individual went to a local church daily. Throughout the Bible there are passages where men and women partnered together for spiritual purposes. Likewise, there are an array of stories where people united for ungodly activities. This lesson is designed to share logical end results of networking with other people.
