“Doing It the Right Way”

I Corinthians 6:12-20

Proverbs 16:25 reads, “*There is a path before each person that seems right, but it ends in death.*” (NLT) This verse records what an individual sees and thinks is not always the best approach to take. Throughout history there have been many people who have made major mistakes doing things their way only. The same is true for believers who seek to alter their physical appearance without God’s involvement. This lesson is designed to share biblical and practical ways to improve your physical temple.
