**“Take the Help”**

**Exodus 18:13-23**

Psalm 145:14 reads, “*The Lord helps the fallen and lifts those bent beneath their loads.*” (NLT) This verse records what King David expressed about God’s compassion to people in need. No person can successfully go through life without receiving support and assistance from other people. Throughout the Bible there are portraits of men and women whose lives were made better due to the aid from someone else. This lesson is designed to share how others can help you be effective in ministry.
