**“What Married and Single People Should Have in Common”**

**I Peter 3:8-12**

I Corinthians 7:32-34 reads, *“I want you to be free from worry. A man who is not married is busy with the Lord’s work, trying to please the Lord. 33) But a man who is married is busy with things of the world, trying to please his wife. 34) He must think about two things—pleasing his wife and pleasing the Lord. A woman who is not married or a girl who has never married is busy with the Lord’s work. She wants to be holy in body and spirit. But a married woman is busy with things of the world, as to how she can please her husband.”* (NCV) These verses record insightful words from the Apostle Paul about marriage and single hood. Every person, regardless of their age or stage, can greatly benefit from wise and practical counsel on living God’s way. The Scriptures are well equipped to provide both to individuals from all walks of life. This lesson is designed to share commonalities between married and single people.
