**Genesis 24:12-22**

Proverbs 18:22 reads, *“He who finds a wife finds what is good and receives favor from the LORD.”* (NIV) This verse records valuable insight for individuals who are not married. A major source of joy and frustration for many people is their dating relationship. Throughout the Bible, there are portraits of men and women whose lives display principles and practices of dating God’s way. This lesson is designed to examine an encounter with one of Abraham’s servants and point out vital information of a dating relationship.
