**“Readjusting for the Redeemer”**

**Luke 24:28-34**

Matthew 2:12 reads, *“When it was time to leave, they returned to their own country by another route, for God had warned them in a dream not to return to Herod.”* (NLT) This verse records changes a group of wise men were willing to make after seeing Jesus. One of the most difficult tasks for many people is to make change from habits and practices they have grown comfortable doing. Believers who have a growing relationship with God also have His power in them to be able to make necessary changes in their life. This lesson is designed to share adjustments you should be willing to make for the Master.
