“Removing Yourself from a Bad Situation”

Luke 19:1-9

Exodus 5:19 reads, *“Then the foremen saw that they were indeed in a bad situation.”* (LB)
This verse records a time when the Israelites were forced to make bricks without straw. Many believers can recall a time when they had to make the most of a negative environment. There are others who have literally had to distance themselves from people and places in order to stay sane. This lesson is designed to share what you can do to remove yourself from a bad situation.
