“Teamwork Makes The Dream Work”

Nehemiah 3:1-5

Ecclesiastes 4:9, 10 read, *“Two people are better than one, because they can get more done by working together. 10) If one falls down, the other can help him up. But it is bad for the person who is alone and falls, because no one is there to help.”* (NCV) These verses record the value of collaborative efforts to get things done. Many tasks and projects have gone awry due to someone trying to complete it all by themselves. Many men and women have major testimonies about their success, because of allowing others to assist them. This lesson is designed to share vital components that can help people accomplish major goals.
