**“Replenish or Diminish: The Choice is Yours”**

**Matthew 25:14-19**

Deuteronomy 30:19 reads, *“Today I have given you the choice between life and death, between blessings and curses. Now I call on heaven and earth to witness the choice you make. Oh, that you would choose life, so that you and your descendants might live!”* (NLT) This verse records a major decision the children of God had to make while they journeyed through the wilderness. The daily decisions of an individual generally determines whether they succeed in life. One area many believers would like to experience increase is with their money. This lesson is designed to share what can cause a person's finances to either replenish or diminish.
