“The Pathway to Recovery”

Genesis 14:13-17

Psalm 25:4 reads, *“Show me the right path, O LORD; point out the road for me to follow.”* (NLT) This verse records words spoken to God by David regarding enemies in his life. Individuals who are committed to following Christ will encounter their share of opposition. As a result, there may be times when they experience a loss of valuable resources to their enemies. This lesson is designed to share crucial components of recovering what has been lost.
