“Healing Lessons from A Sick Woman”

Mark 5:25-34

Proverbs 6:6 reads, "Take a lesson from the ants, you lazybones. Learn from their ways and become wise!" (NLT) This verse records words from Solomon about one of the most abundant animals on Earth. No believer should ever reach a place in life where they refuse to acquire knowledge from other people. Throughout the Bible, God has used all types of people to help individuals develop holistically. This lesson is designed to examine the woman with the issue of blood and share factors that can improve your physical health.
