“Is God Ok with Your Worship?”

2 Chronicles 29:28-36

Proverbs 16:7 reads, "When the Lord takes pleasure in anyone's way, he causes their enemies to make peace with them." (NIV) This verse records a promise from God to believers. The main goal for Christians should be to please God in all areas of their lives. One way for redeemed individuals to accomplish this, is to prioritize worshipping Christ as a lifestyle rather than just a church experience. This lesson is designed to examine an episode in the life of King Hezekiah and point out worship practices pleasing to God.
